

Dear Friend,

My name is Ed Brodsky and I'm running as your Republican candidate for State Attorney. I hope you'll join me and my team by voting for me as your next State Attorney in 2012.

I am running for one simple reason: I am deeply passionate and committed to serving you and ensuring you and your families the safety and the quality of life that we all want and expect. And I will expect everyone in the office to share my commitment and passion for justice.

I am proud to be endorsed by our current 6-term State Attorney Earl Moreland, and our Public Defender Larry Eger. I am also endorsed by Sheriff Brad Steube of Manatee County and Sheriff William Wise of DeSoto County. I am also thankful for the endorsements by many other prominent members of our community, and I urge you to visit my endorsements page to see the others who have joined me in support of my candidacy for State Attorney.

I am the only candidate in this race that is Board Certified in Criminal Trial Law by the Florida Bar. I have the hands-on experience in the management and administration of the State Attorney's Office. In addition to trying over 100 jury trials, including the most serious cases in our office like First Degree Murder, Second Degree Murder, Manslaughter, child sexual abuse and sexual predator cases, my overall training, education and unique experiences make me the right candidate to lead this office into the future.

I have also worked in various capacities for the office during my 19 years of public service. I have managed and led a felony trial division. I was also responsible for the management of the Manatee County office. Currently I am the Chief Assistant State Attorney entrusted with overseeing the attorneys and staff in all 4 of our offices in all 3 of our counties.

This unique management and administrative experience has allowed me to work hand-in-hand with the top levels of the justice administration, from the Sheriffs and Police Chiefs, the Clerk of Courts, judges and the Court Administration, to the Public Defender's Office. I have worked in all 3 counties on issues that affect all of us, so we can ensure the proper administration of justice. We are not alone in the criminal justice system, and we must all work together to ensure the betterment of our community and to ensure public safety. I have that experience. That's why the Sheriffs, the present State Attorney,

Public Defender and leaders of law enforcement have all endorsed my candidacy.

I have the vision, passion, experience, and knowledge to successfully lead this office into the future. I'm committed to continue to serve the community and law enforcement to ensure that our families and our children have a wonderful and safe place they can call home.

I urge you to allow me the honor to be your next State Attorney in 2012.

With warmest regards,

*Ed Brodsky*
